To assist you with your move we have created a short 'checklist' of people you need to inform of your change of address and for disconnection and reconnection of services.

- Family and friends. You can't do without your family and friends so notify them first and set a date for the housewarming!
- Re-direct your mail with Australia Post. This will ensure all of your mail gets to you.
- Advise your bank/s - you will need to make sure they change your address on all of your accounts, including your credit card.
- Insurance - make sure you cancel your existing policy but also arrange your new policy.
- Licensing Department - you will need to change your address on your drivers license and vehicle registration including trailers, caravans and boats.
- Cancel or redirect all home deliveries - newspapers, magazine subscriptions, milk, gardener, pool man etc
- Medicare and private healthcare fund. Notify them of your change of address.
- Medical practitioner / Specialist doctors.
- Vet, if you have any pets.
- Children's school, play group, pre-school or daycare centre.
- Western Power
- Alinta Gas
- Telstra - don't forget your mobile, internet, Foxtel and fax!
- No need to contact the Water Corporation as this is all handled by your settlement agent.
- Sports clubs and special interest groups

Creating peace of mind for you
